Over 100 Yearling Red Angus Bulls and 50 Open Purebred Heifers Sell!

[www.loosliredangus.com](http://www.loosliredangus.com)

# *Dear Red Angus friends,*

It is our pleasure to welcome you to the 51st Annual Loosli Red Angus Production Sale. Last year was a great celebration, and this year we move onto our next milestone. With over 50 years of raising and selling cattle comes many years of improvements, but one thing that has remained the same...our great customers! Without you, we would not be in business. We sincerely appreciate your many wonderful years of support. We are reminded daily how fortunate we are to be involved in the cattle business and count this as one of our many blessings.

The Red Angus Breed continues to move forward and lead the industry with tremendous interest and demand. Prices are tops and it looks like they will remain that way. The Red Angus cattle have proven themselves with natural advantages like low-maintenance, high fertility / maternal qualities, calving ease, and of course, great dispositions. This is where you can look at our operation for quality and profitability.

We have put together a very solid set of bulls this year with genetics from breed-influencing sires and dams. This bull offering features some exciting new genetics with the numbers to match. You will also notice the select, well-known sires in the pedigree charts. Their outstanding traits are carrying through to our herd as anticipated. This group of bulls has something that will benefit any cattle operation, and we can help you find what improves your herd. We have several top-notch herd bull prospects along with bulls that you can use on your heifers. We have something for your operational needs.

Our cow herd is and has always been a primary focus. We take a lot of pride in our cow herd. A key component of any herd is the Red Angus replacement heifers. They have been labeled as the Most-Favored Female and are renowned for their longevity in the herd. We make sure our sale heifers have outstanding combinations of great mothering traits, natural muscle, wide tops, great udders, and of course, sound disposition to help move your herd forward. Choose a bull and you'll know its mother. We also have been calving for about two months now and you need to see some of these calves. You will want these genetics in your herd!

View these outstanding traits for yourself as we run the bulls and heifers through the sale ring. Come see the cattle any time before the sale or watch the online videos on our website. We are extremely proud of our sale selection this year and welcome your calls to discuss your cattle needs. We have people to assist you and thank our hard-working ranch hands that help perform valuable day-to-day tasks!

Please look through the catalog and visit our website at [loosliredangus.com](http://loosliredangus.com) to view pictures, videos, and current EPDs of our powerful genetics. We will have scanned data as well as the fertility testing available on the website prior to the sale.

We want to invite you to our ranch in Ashton, Idaho, on Tuesday, March 11, 2025, to have a delicious lunch and be part of this great sale. You can also watch/bid online through LiveAuctions.TV. Thanks again for these 51 wonderful years!

**Auctioneer:** Kyle Colyer: 208-845-2098

**View Cattle:** The cattle are on test at the Veltkamp Livestock Center, 11526 Gravel Pit RD, Manhattan Montana.

**Retained Ownership:** Loosli Red Angus is retaining a full ½ semen interest in every sale bull...Buyer will take full possession and retain full salvage value in the bull. Bulls collected for A.I. use will be done in the off season at the buyer's convenience with expense paid by Loosli Red Angus. Please call Brian Loosli for more information. 208-317-7878

**Transportation:** Bull delivery is free to central points in Idaho and to central points for adjoining states. For more distant locations or single animal purchases outside these central points, the buyer will be responsible for these costs. We will assist you in making delivery arrangements at the lowest possible cost.

**Insurance:** Tell the clerks when you checkout if you wish to insure your purchases and they will give you the application. Coverage starts immediately when you turn in your application. The insurance is through American Livestock at 630 232-2100. All purchases are the buyers' responsibility as soon as they are sold.

**Sale Order:** Cattle will sell in catalog order.

**Information:** Updated EPDs (yearling) and data are available on our website.

**Announcements/Liabilities:** Announcements made from the sale block on sale day take precedence over the catalog. All persons attending the sale do so at their own risk. Seller assumes no responsibility, legal or otherwise, for any accidents occurring in, on, or about the premises.

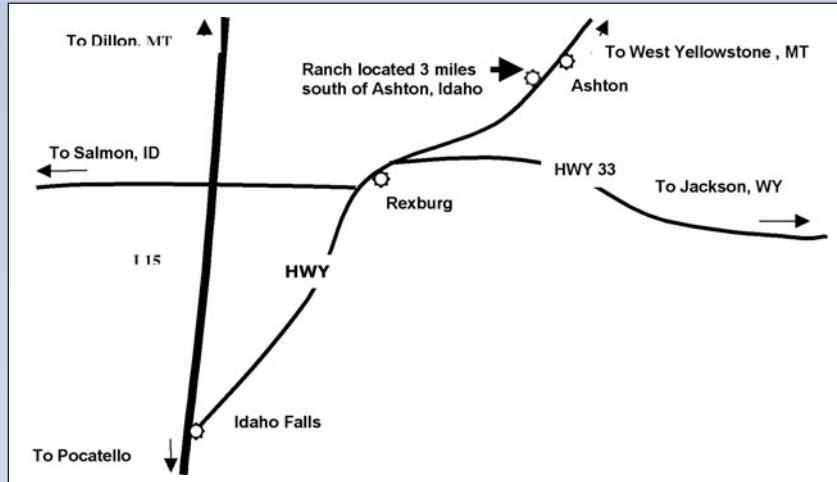

**Guarantee:** Loosli Red Angus guarantees all bulls selling for \$3,000 or more against breeding injury for the first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bull(s). If a replacement bull is available, he will be provided, or if buyer prefers credit toward one bull will be given in the following year's sale, less salvage value of the injured bull. Under no circumstance will Loosli Red Angus be liable for more than the net purchase price of any bull. Please notify us as soon as possible, should such an injury occur, to make your claim and arrange your return of the injured bull. Broken bones or injuries due to negligence will not be covered under this guarantee. A bull that dies will not be covered by this guarantee. We recommend the purchase of livestock mortality insurance to mitigate this type of loss.

This offering is loaded with some of the most proven sires in the breed. We are starting the sale with a new sire prospect. Bieber Jump Start was the most sought-after bull in the 2022 sale season, commanding \$185,000 to Select Sires and a number of other seed stock producers. Here you have one of his best sons to sell. Some have said he looks just like his sire. This Son also has a similar EPD profile that ranks him near the top of the breed for WW, YW, and ADG. This EPD profile is backed by his individual performance number of 114 WR and 118 YR. A multi-trait leader improvement sire that excels also in Phenotype and carcass merit. His Dam is a beautiful Borne daughter with 5 calves and a 364-day Calving Interval earning her a 103 MPPA.

Herd bull prospect! One of the top bulls in the sale. The Collusion sons were part of our top selling bulls in 2024. He has thickness, length, capacity and extremely good phenotype. We really like his muscle expression and the way his body is put together with his full heart girth and smooth shoulders. He has a great EPD profile that is verified with his individual performance of WR 113 and YR of 113. He sports one of the best spreads you will find from BW to YW. He is out of a great cow family that has outstanding performance. His young dam has a 105 MPPA.

Which trait is more impressive of this big-time herd bull...his body, muscle expression, capacity, or EPD Profile and Indexes. He definitely has the herd bull look. His numbers are just as impressive. His ProS index is 15% with the HerdBuilder 9%. The ProS Index covers economical relevant traits from conception to carcass (the Profitability and Sustainability Index). With that backing, you will want to keep all his daughters and watch the premiums come in on his steer calves. A complete herd bull!

A more moderate framed Jump Start son that has the thickness, muscle expression, depth of body and hip of his sire. This herd bull has such a balanced profile with his EPDs and Indexes with 9 in the top 25% of the breed. If you like them deep and soggy, here is the bull for you. Just as impressive as his phenotype is his end carcass merit. He is also backed by a great cow with a 103 MPPA and good maternal EPDs.

One of our favorite bulls to sell today; definitely a herd bull prospect! His sire, TKP Complete 1595, was our pick of the Pieper Fall sale in 2022. TKP Complete 1595 is out of PIE Ruby 520 which is Pieper's great donor dam and dam of Pie Quarterback. Complete has been a powerful herd sire for us and this son has a perfect phenotype. He has great length of body, muscle expression, capacity and thickness; he has it all! He has a bold look to him which catches your eye when you walk in the pen. A royal cow family in his pedigree that goes back to our great foundation donor cow Miss LL Rob Low 929.

These Complete sons really perform! This bull has a tick more frame with outstanding length. He should be able to travel in those big open range pastures. His calves will absolutely push down the scales at weaning time and give you the premiums you have been looking for. His single digit EPD carcass traits and top 10% GridMaster index will put his calves in demand. Don't overlook his EPDs that are top 6% WW, 4% YW, and 3% ADG. His dam has a beautiful udder and sports a 104 MPPA.
